

## Description

NashPay Gateway enables Zoho Businesses to accept MPESA and Bank Payments online with ease and speed. Using Zoho Invoice Link, customers can pay directly into the business MPESA Paybill, Till Number or Bank account. Upon payment the invoice status is automatically updated with corresponding references.

This reduces the reconciliation burden while facilitating faster and accurate payments.

## Key Features

- Give your customers the option to make payments by MPESA or Bank
- Invoice status is automatically updated upon payment.
- References are updated accordingly.
- Up to date transaction status between MPESA/Bank and Zoho Books.
- Reduces reconciliation workload for Zoho Businesses.

# Step by Step Screenshots

1. We shall provide you with Gateway Key and Password once you install NashPay Gateway.

The screenshot shows the 'Online Payments' settings page in Zoho Books. A modal window titled 'Configure Gateway' is open, displaying the configuration for the 'Nash Pay' gateway. The modal contains the following fields:

- GatewayKey\***: 00000000-0000-0000-0000-000000000000
- Password\***: [Redacted]
- Bank Account**: None

Buttons for 'Save' and 'Cancel' are visible at the bottom of the modal. The background page shows various payment gateway options like Razorpay, Paytm, PayPal, 2Checkout, eazypay, and Nash Pay, each with a 'Set up Now' button. A search bar at the bottom suggests looking for a gateway in the marketplace.
